If approved, a reply will be put up regretting the inability of Govt. to accede to the Board's request.

But the Board themselves agreed (vide) 1/3 plus extra the initial and recurring expenditure, and Govt consented to this and waived their right to claim half. As there was no necessity to mention this point which had already been settled, it was not specifically alluded to.

OFFICE OF THE PRESIDENT,
SANITARY BOARD, KOLAR GOLD FIELDS,
DATED CHAMPION REEFS, 18th March 1915.

From

P.F. Bowring Esq., med 1-14-8c.22
President,
Sanitary Board,
Kolar Gold Fields.

To

D.V. Narasinga Rao., Esq., B.A., B.L.,
Secretary to the Government of His Highness
the Maharaja of Mysore, General and Revenue
Departments, Bangalore.

Sir,

In submitting herewith a copy of letter No. 372 dated the 13th February 1915, addressed to the Senior Surgeon and his reply thereto (No. 4250 dated 18-2-15) in connection with the question of debiting to the funds of the Board, 1/3 of the cost of dieting and other charges of the Maternity Hospital at Robertsonpet, I have the honour to state as follows:--

Sm linked file

1. In the original order of Government, No. 2521-6 med; 190-10-4 dated the 6th October 1911, Government was pleased to enquire, whether the Board were agreeable to meet a moiety of the cost of the following charges in connection with the opening of the Hospital, viz.,

| | | |
|---|---|---|
| (I) | Establishment ... ... | Rs. 517 |
| (II) | Initial charges on account of furniture, bedding, clothing etc, | Rs. 3,100 |
| (III) | Cost of buildings and necessary improvements to be effected thereto ... .... | Rs. 38,905 |

2. The matter was placed at the meeting of the Board held on the 17th November 1911, when the Board, in expressing their inability to meet the half the cost of the institution, resolved to bear out of their funds, 1/3 of the initial expenditure and of the recurring charges being Rs.1035 and 172 per month respectively, together with the moiety of the cost of buildings and their improvements. A copy of the Board's Resolution No. 6 is herein enclosed for kind and ready reference.

2.

Government Order No. 4564-8 med; 110-11-5 dated 4th January 1912.

3. In conformity with this resolution, Government were pleased to sanction the establishment of the Maternity Hospital at Robertsonpet, and to direct that the following charges may be met in the proportion indicated against them from Provincial funds and Funds of the Sanitary Board.

| Charges. | Provincial funds. | Funds of the Sanitary Board. |
|---|---|---|
| Buildings ... ... | ½. | ½ |
| Initial charges for furniture, bedding, clothing etc, ... ... | ½ | ½ |
| Recurring charges for establishment and maintenance ... | 2/3 (1/3) | 1/3 |

4. In their Resolution of the 17th November 1911, the Board have specified the recurring expenditure to be borne by them and fixed the amount at Rs. 172 ( 1/3 of 517) per mensem. In accordance with this, a provision of Rs. 2068 under D. 2 C midwives and maternity, (1) Establishment is being made year ——

after year in the Budget estimates of the Board. From October 14 when the Hospital was opened 1/12th of the budget provision for these charges is debited to the Board's funds for transfer credit to the Medical department as required in General and Revenue Secretary's No. 4214 A med; 29-13- dated 25th November 1914, and Rule 547 Mysore Treasury Manual.

5. The recent Government Order No. 3-7 med; 56-13 dated the 25th September 1914, also directs that only the establishment charges of the Hospital as per scale fixed therein should be borne by the Board and from Provincial funds in the proportion of 1/3 and 2/3 respectively, as sanctioned in the Government Order of the 4th January 1912.

6. In view of these circumstances, and the fact that the Board have already incurred a large expenditure approximating to Rs. 35,000 on this institution, and in view also of the fact that the finances of the Board cannot bear the heavy recurring charges of dieting etc., without undue curtailment of indispensable requirements in other directions, the Board, in passing on the 19th February last, the budget for 1915-16, in the Budget for which year the question of dieting charges came up for the first time, provided only for 1/3 of the establishment charges, leaving the question of 1/3 of the dieting and other charges for representation to Covernment with a view to securing exemption.

7. The fact that the Board have undertaken to bear the entire charge of the ~~Funds~~ Female Dispensary at Champion Reefs, recently reopened, is an additional reason for consideration being shown to the Board as they have a large expenditure to meet.

8. I have the honour to request, therefore, that 1/3 of the dieting and other charges may kindly be caused to be met out of the medical budget as in the case of similar institutions and Government Civil Hospitals.

9. The Paternity Hospital has been fulfilling a great public want very successfully as the following statistics placed before the last meeting of the Board will show:--

Returns of the Maternity Hospital

At Robertsonpet,

Kolar Gold Fields.
